

## Age and Size Specifications of our Discus Fish:

<u>cm</u>				<u>inches</u>
5 cm	–	2 months	–	2"
6 cm	–	3 months	–	2.5"
8 cm	–	4 months	–	3"
10 cm	–	6 months	–	4"
12 cm	–	9 months	–	4.5"
14 cm	–	12 months	–	5.5"
15 cm	–	18 months	–	6"
17 cm	–	24 months	–	6.5"

Discus fish, kept in good conditions, can live for **up to 15 years** and reach sizes of up to **20 centimetres / 8" in diameter!**

They are **fully grown** at the age of approximately **2 to 2.5 years!**

To ensure the **steady and stable growth** of our discus fish, we recommend continuing to feed 3 daily meals of our STENDKER Discus Feed.
